

Jump and Hoops for Heart is Starting Soon

Students will be working hard to raise money for the American Heart Association while jump roping (K-3) and playing basketball (4 and 5) in PE.

Kickoff Assembly is January 26th

We are encouraging you and your child to get started online. Raising money online is faster and easier than ever. Be sure to register under Parley's Park Elementary School.

You can register at <http://american.heart.org/jump-hoops/>

You can also download the Jump/Hoops mobile App. In the App kids can unlock animals that come alive depending on how much money gets raised.

Please email jwheelwright@pcschoools.us with any questions you may have.

Collection envelope and more info will be going home the week of January 22nd.

Please help to encourage your child to make healthy choices while helping others keep a healthy heart. Every little bit counts.
