

LYNDA.COM

To learn more, we suggest that you watch the [introductory movie about the service](#), and watch [How to use lynda.com](#).

To get started:

***** You must be in the district the first time you login*****

Go to [iplogin.lynda.com](#) from any computer inside the district and fill out the registration form to create your user name and password. You will use your pcschools.us email address. You may need to adjust your password, as they require certain characters/numbers.

If you have issues getting registered, let me know.
