The PPES-PTA is a volunteer organization made up of parents, teachers, administrators, and support staff who are all dedicated to the successful education of our children. The PTA works hard to help make the school year both enjoyable and exciting for students, teachers, and parents. This year, we're offering many of the same programs as in the past, with a focus on simplifying and streamlining programs to ensure your time and donations are well spent. **Your donations of time and money ensure quality programs for all children and are a key reason our schools is so special!**

**PTA Update:** Last year, the PTA organized over 15 events including the Falcon Fun Run, Science Fair, Spelling Bee, Teacher Appreciation, RWE Exchange, and the Book Fair just to name a few. The Falcon Fun Run raised over \$50,000 last year which provided funding for many enrichment activities like language arts materials, STEM enrichment curriculum, playground equipment, Makerspace and Peter Pan Jr.

**FALCON FUN RUN - Thursday, September 13<sup>th</sup> 2018!** The Parley's Park Falcon Fun Run is our major fundraising event of the year! We only ask **families to contribute this one time during the year**, to help provide programs, activities and scholarships for our students. With a goal of raising \$75 per student, we have been able to accomplish the most amazing things. Watch for this information in the upcoming newsletters and communications. If you have questions about the run or if you would like to volunteer please contact [anniecashiola@gmail.com](mailto:anniecashiola@gmail.com).
